NOTES

CTO Lighting's products are handmade, minor variations may occur, for specific product information contact our sales team or your local CTO representative.

All products are CE compliant.

Please note that some pendants need a minimum drop length between ceiling and the top of the fitting (as highlighted on the drawings).

No bulbs are supplied with any fixtures, all bulbs can be purchased from your local electrical wholesaler or online.

Instructions are supplied with each product.

For our full terms and conditions please contact sales@ctolighting.co.uk

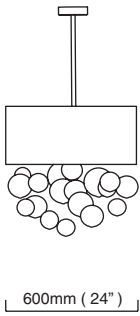

BESPOKE

CTO lighting offer a comprehensive bespoke service which is highly versatile, designing and manufacturing variations of stock products, one off creations to hotel roll-outs. Designs are manufactured by local artisans to exacting standards using a diverse range of materials.

Most products are available as bespoke versions, email sales@ctolighting.co.uk for more details.
